Dear Band Member,

Your dues are an important part of our yearly revenue, and the band depends on your prompt payment to get us through the fall and winter when we have little concert income. **To rehearse or play in our concerts, you must pay your dues by November 2.** Bill Hardam or Curt Fisher (both in the percussion section) will take your checks, cash, or CREDIT CARDS. For your convenience, you may also pay dues using our website. We encourage those who are able, to make an additional contribution to support the purchase of new music.
